

CENTER FOR STRATEGIC SCIENTIFIC INITIATIVES

Office of the Director

Acting Director
Douglas R. Lowy, MD

Associate Director of CSSI
Sean Hanlon, PhD

Provocative Questions
Initiative

Innovative Molecular Analysis
Technologies Program

Big Data Scientist Training
Enhancement Program

Office of Clinical Cancer Proteomics Research

Director
Henry Rodriguez, PhD, MBA

Knowledge Management and Special Projects Branch

Director
Lisa Krueger, MS

Antibody Characterization Lab

Clinical Proteomic Tumor
Analysis Consortium

International Cancer
Proteogenome Consortium

Applied Proteogenomics
Organizational Learning and Outcomes

Research, Condition, and
Disease Categorization

NCI Funded Research Portfolio
